What if I led a different life?  
Would you stay, stay?  
What if you could only speak the truth?  
What would you say, say?  
Time doesn't wait for anyone.

There is a part in every day,  
When I lie to myself and say that it's OK.  
'Cause if I don't I think I'll go insane.  
But the truth is, I only have myself to blame.

Explain to me how you're so damn naive.  
Think I don't see, see.  
Forget what I said you're only good in bed,  
Or on your knees, knees.  
Time doesn't wait for anyone.

There is a part in every day,  
When I lie to myself and say that it's OK.  
'Cause if I don't I think I'll go insane.  
But the truth is, I only have myself to blame.

Time doesn't wait for anyone.

There is a part in every day,  
When I lie to myself and say that it's OK.  
'Cause if I don't I think I'll go insane.  
But the truth is, I only have myself to blame.

There is a part in every day,  
When I lie to myself and say that it's OK.
