Since I met you, I've begun to feel so strange  
Every time I speak your name (that's funny)  
You say that you are so helpless too  
That you don't know what to do

Each night I pray there will never come a day  
When you up and take your love away  
Say you feel the same way too  
And I wonder what it is I feel for you

Could it be I'm falling in love (With you baby)  
Could it be I'm falling in love  
Could it be I'm falling in love  
With you, with you, with you, with you

I don't need all those things that used to bring me joy  
You make me such a happy boy  
And honey, you'll always be the only for me  
Meeting you was my destiny

You can be sure I will never let you down  
When you need me I'll be around  
And darling, you'll always be the only for me  
Heaven made you specially

Could it be I'm falling in love (With you baby)  
Could it be I'm falling in love  
Could it be I'm falling in love  
With you, with you, with you, with you

And darling, you'll always be the only for me  
Heaven made you specially

Could it be I'm falling in love (With you, baby)  
Could it be I'm falling in love (I wanna know now, baby)  
Could it be I'm falling in love  
With you, with you, with you, with you

I walk around with my heart in my hands, hey  
(Could it be I'm falling in love)  
Walk the street as long as I can, baby

(Could it be I'm falling in love)  
I used to sing fa fa fa fa  
(Could it be I'm falling in love)  
But right now I feel so good, I sing la la la la  
(Could it be I'm falling in love)  
Once you get me up, won't let me down  
(Could it be I'm falling in love)  
Just let this feeling carry me on  
(Could it be I'm falling in love)  
Skip the beats with my heart girl  
(Could it be I'm falling in love)
