This is our fork in the road, love's last episode  
There's nowhere to go, oh no, you made your choice  
Now it's up to me to bow out gracefully  
Though you hold the key, but baby

Whenever you call me, I'll be there  
Whenever you want me, I'll be there  
Whenever you need me, I'll be there, I'll be around

I knew just what to say, now I found out today  
That all the words had slipped away, but I know  
There's always a chance, a tiny spark will remain, yeah  
And sparks turn into flames  
And love can burn once again, but I know you know

Whenever you call me, I'll be there  
Whenever you want me, I'll be there  
Whenever you need me, I'll be there, I'll be around,  
yeah

Whenever you call me, I'll be there  
Whenever you want me, I'll be there  
Even if I have to crawl, I'll be there, I'll be around

Just call me on the phone, I'll be there  
I'll never leave you alone, I'll be there  
Just call out your name, I know, I know you know  
I'll be around

I'll be slippin' and a jumpin', I'll be there  
I'll be a rippin' and ahoooooh, I'll be there  
I'll be calling out your name to let you know  
I'll be around....
