Where are the smiles, the laughter and fun?
Something is bugging almost every one.
The pressure and fear, can turn very clear.
There must be some way to escape.

This mean ol' world can get on your nerves.
So many headaches that you don't deserve.
So if you don't mind, I'd like to prescribe,
An old remedy, for you,
For you and Me.

CHORUS:

Now that we're together,
We're gonna sing and try to make it better.
Ooo, Ooo, Ooo, Ooo,
Now that we're together,
Forget your cares and think about it later.

Singing a song I good for the heart.
Once you get started, it's quite hard to stop.
You're such a great crowd. Why don't you sing loud.
Oh sing out for me, for you,
For you and Me.

[CHORUS]

Now that we're together,
Ooo, Ooo, Ooo, Ooo,

Now that we're together,
Ooo, Ooo, Ooo, Ooo,

Now that we're together,
Ooo, Ooo, Ooo, Ooo,
Now that we're here.
Now that we're together,
Ooo, Ooo, Ooo, Ooo,
Now that we're together,
Ooo, Ooo, Ooo, Ooo,
Now that we're together,
Ooo, Ooo, Ooo, Ooo,

Now that we're here.
Now that we're here.
