Hand me down my walkin' cane  
Hand me down my hat  
Hurry now and don't be late  
'Cause we ain't got time to chat  
You and me were goin' out  
To catch the latest sound  
Guranteed to blow your mind  
So high you won't come down

Hey, y'all prepare yourself  
For the Rubberband man  
You never heard a sound  
Like the rubberband man  
You're bound to lose control  
When the Rubberband starts to jam

Oh, Lord, this dude is outta sight  
Everything he does  
Seems to come out right

Once I went to hear them play  
At a club outside of town  
I was so surprised, I was hypnotized  
By the sound this cat's puttin' down

When I saw this short fat guy  
Stretch a band between his toes  
Hey, I laughed so hard  
Ã¢â¬ÏCause the man got down  
When he finally reached his goal

Hey, y'all prepare yourself  
For the Rubberband man  
You never heard a sound  
Like the rubberband man  
You're bound to lose control  
When the Rubberband starts to jam

Got that rubberband  
Up on his toes  
And then he wriggled it up

All around his nose

(Doo doo doo doo doo doo doo doo)  
Guaranteed to blow your mind  
(Doo doo doo doo doo doo doo doo)  
Playin' all that music, yet keepin' time  
(Doo doo doo doo doo doo doo doo)  
Where in the world did he learn that, oh, Lord  
(Doo doo doo doo doo)  
Lord, help him get away

Hey, y'all prepare yourself  
For the Rubberband man  
You never heard a sound  
Like the rubberband man  
You're bound to lose control  
When the Rubberband starts to jam  
Doo doo doo doo doo  
Doo doo doo doo doo doo doo  
Doo doo doo doo doo  
Rubberband man, Rubberband man  
How much of this stuff do he think we can stand  
So much rhythm, grace and debonair from one man,  
Lord  
And then he had nerve to wiggle his left toe  
To his knee, got the feelin' in his head, y'all  
Ah, come on, baby

Hey, y'all prepare yourself  
For the Rubberband man  
You never heard a sound  
Like the rubberband man  
You're bound to lose control  
When the Rubberband starts to jam

Rubberband man starts to jam  
Movin' up and down across the land  
Got people all in his ways  
Everything about him seems out of place

Just a movin', just a movin'  
Just a move-move-movin'  
Just a Rubberband, Rubberband man  
Just a movin', just a movin'  
Just a move-move-movin'  
Just a Rubberband  
Rubberband man  
Get down  
Oh, get down lover  
Uh-huh
