I'll be working my way back to you, babe  
With a burning love inside  
Hey, I'm working my way back to you, babe  
And the happiness that died

I let it get away (Do, do, do, do, do)  
(Been paying every day) Do, do, do, do, do

When you were so in love with me  
I played around like I was free  
Thought I could have my cake and eat it too  
But how I cried over losing you

See I'm down and out  
But I ain't about to go living my life without you  
Hey, every day I made you cry  
I'll pay in, girl, till the day I die

I'll keep working my way back to you, babe  
With a burning love inside  
Yeah, I'm working my way back to you, babe  
And the happiness that died

I let it get away (Do, do, do, do, do)  
(Been paying every day) Do, do, do, do, do

Oh, I used to love to make you cry  
It made me feel like a man inside  
If I had been a man in reality  
You'd be here, baby, loving me

Now my nights are long and lonely  
And I ain't too proud, babe, I just miss you so  
Girl, but you're too proud and you won't give in  
But when I think about all I could win

I'll keep working my way back to you, babe  
With a burning love inside  
Yeah, I'm working my way back to you, babe  
And the happiness that died

I let it get away (Do, do, do, do, do)  
(Been paying every day) Do, do, do, do, do

(You, you babe) My road is kind of long  
(You) I just gotta get back home (You babe)

Whoa, I'm really sorry for acting that way  
I'm really sorry, oh, little girl for telling you lies for so long

Oh, please, forgive me, girl, come on (Give me a chance)  
Won't you forgive me, girl, hey, (Let's have romance)  
Ooh, forgive me, girl (Let's try again)  
Come on, forgive me, girl, I want you over  
And over and over and over and over again

I keep working my way back to you, babe  
With a burning love inside  
Hey, I'm working my way back to you, babe  
And the happiness that died

I let it get away (Do, do, do, do, do)  
(Been paying every day) Do, do, do, do, do

I keep working my way back to you, babe  
Yeah (Burning love inside)  
I keep working my way back to you, babe  
And the happiness that died....
