I'm nervous when im near you as If I am falling in,  
In Love with someone else,  
And it doesn't really matter if she can't speak all that  
well,  
If she wont talk i dont care,

'Cuz i dont wanna break your heart,  
Don't wanna let you go,  
Im in love so whenever we're apart But that dont mean I  
wont want more so,

Give me a chance, I promise i will come back,  
Honey, this is a bitch I just have to scratch,  
All things considered, I'm not much of a sinner,  
But something tells me that I am missing out,

Something about looking at you makes me want to  
blink like I'm scared of a man this big,  
but old jokes are just that, old,  
I guess, what should I expect,  
What trite line will you give me next,

But i dont wanna break your heart,  
Don't wanna let you down,  
I'm in love with you so hear me out,  
all I want is to look around,

Im nervous when im near you,  
oh I've such a mind for this,  
Cause it's a finite number of times before I catch the  
drift.,

But I dont wanna break youer heart,  
Just wanna get you back,  
Im in love with you so hear me out,  
How I just want to be your man,

Give me a chance, I promise i will come back,  
Honey, this is a bitch I just have to scratch,  
All things considered, im not much of a sinner,  
But something tells me that I am missing out
