x2

Come back darling  
Give me another try  
I'll make you satisfied

Don't you know, I need you badly  
And I'll give my poor heart gladly  
I need your love like roses need the rain  
Don't let me cry in pain

x2

Come back darling  
Give me another try  
I'll make you satisfied

Can't you see the love still burning  
Please return, relieve my yearning  
A day without you is like a year of emptiness  
Please return and bring me happiness

Come back darling  
Give me another try  
I'll make you satisfied  
(repeat and fade)
