Legalize it, don't criticize it  
Legalize it, yeah, yeah, and I will advertise it

Some call it tampee, tampee  
Some call it the weed  
Some call it marijuana, marijuana  
Some of them call it ganja, ganja

Every man got to legalize it, and don't criticize it  
Legalize it yeah, yeah, and I will advertise it

Singers smoke it  
And players of instrument too  
Legalize it, yeah, yeah  
That's the best thing you can do

Doctors smoke it, nurses smoke it  
Judges smoke it, even the lawyer too

So you've got to legalize it, and don't criticize it  
Legalize it, yeah, yeah, and I will advertise it

It's good for the flu, a good for asthma  
Good for tuberculosis, even umara composis

Got to legalize it, don't criticize it  
Legalize it, yeah, yeah, I will advertise it

Birds eat it, ants love it  
Fowls eat it, goats love to play with it

So you've got to legalize it, don't criticize it  
Legalize it, yeah, yeah, and I will advertise it

Keep on telling you, legalize it
