Reasons why I love you - One,  
You light my day, you are my sun  
Reasons why I love you - Two,  
I cannot get enough of you  
Reasons why I love you - three,  
I know that you'll be true to me  
The reason I will stay with you,  
I know you love me too

(CHORUS)

The reason I will stay with you  
I know that you love me too!  
Tere bin meno chain nah aveh  
Oh soniyeh

Reasons why I love you - Four,  
You keep me coming back for more  
Reasons why I love you - Five,  
You make my world come alive  
Reasons why I love you - Six,  
I'm addicted, you're my fix  
The reason I will stay with you,  
I know that you love me too

CHORUS

Reasons why I love you - Seven,  
You are here and I'm in heaven  
Reasons why I love you - Eight,  
When it's good, you make it great  
Reasons why I love you - Nine,  
You turn my water into wine  
The reason I will stay with you,  
I know that you love me too

CHORUS
