(Intro Lady Saw rap)

Since I met you lady
My whole life has changed
Since I met you lady
My whole life has changed
And everybody tells me
That I am not the same

I don't need nobody
To tell my troubles to
I don't need nobody
To tell my troubles to
Since I met you lady
All I need is you

(Lady Saw rap)

Since I met you lady
I'm a happy man
Since I met you lady
I'm a happy man
I'm going to try and please you
In every way I can

(Lady Saw rap)
