"Sweet Cherrie"

I've got to find sweet cherry

She's gone away from home

I've got to find sweet cherry

She's left me all alone

(chorus)

Cherry, cherry,

Don't go and leave me alone

Don't go and leave me alone

My thoughts are always with you

The emptiness leaves me blue

If you should ever desert me

Then life deserts me too

(chorus)

Cherry, cherry,

Don't go and leave me alone

Don't go and leave me alone

When we were together, downtown

We would do things together, downtown

The first place I met you, downtown

There we could always be.

(chorus)

Cherry, cherry,

Don't go and leave me alone

Don't go and leave me alone
