I wanna hop on the last train in the station  
Won't need to get yourself prepared  
When you're on that last train for glory  
You'll know, you're reasonably there

Maybe you ain't walked on any highway  
You've just been flyin' in the air  
But if you're on that last train to glory  
You'll know, you must've paid your fare

Maybe you've been liyin' down in the jailhouse  
Maybe you're hungry and poor

Maybe your ticket on the last train to glory  
Is the stranger who is sleeping on your floor

I ain't a man of constant sorrow  
I ain't seen trouble all day long  
We are only passengers on the last train to glory  
That will soon be long, long gone

I wanna hop on the last train in the station  
Won't need to get yourself prepared  
When you're on that last train to glory  
You'll know, you're reasonably there
