Trying to tie up the reef knot in my brain
its kind of hard when my fingers are tied the same
these tunes are to heavy for my tits
my indecent flesh no longer fits

cuz Im a big fat meat pack with a big fat bomb rack
and im comming for you

/Chorus/
faster its too slow
just wanna be played on the radio
master master look at me now
look at me now
i am a man
i am a man

Black hair sticks out of my chin
i get in touch with aggressions deep within
victory seems hard when my players give in
but my growing balls will make me win

cuz Im a big fat meat pack with a big fat bomb rack
and im comming on you

/Chorus/
faster its too slow
just wanna be played on the radio
master master look at me now
master master
i am a man
i am a man

SOLO

/Chorus/
faster its too slow
just wanna be played on the radio
master master now

faster its too slow
just wanna be played on the radio

master master
i am a man
i am a man
a man
i am a man
