I woke up by the taste of my guts
People say i had one drink too much
I can't remember why
And you should know how i try

I try to make you believe
it all happened in your sleep
You wont believe it is true
I would never do this to you

When i come around i start tearing us down
Doing what i can to start an argument
I dont understand why you're low today
Cause i was f*ckin high yesterday

I dont get it
What do you mean?
What you're trying to say makes no sense to me
I dont get it
What do you mean?
Im as sweet as can be and i'm sober and clean
I dont get it
What do you mean?
You don't appreciate my honesty?
Usually i just want to make a scene
Well i dont like you but you know, know, know
what i mean...

I wake up with the sense of alright
What a beautiful day to start a fight
You don't remember why
and i don't care how much you try
I try to make you see
you don't mean shit to me
You won't believe it it true
well i'm sure you made this up too

When you come around you start tearing us down
Doing what you can to start an argument
You don't understand why you're low today
but I was f*ckin sober yesterday

I dont get it
What do you mean?
What you're trying to say makes no sense to me
I dont get it
What do you mean?
Im as sweet as can be and i'm sober and clean
I dont get it
What do you mean?
You don't appreciate my honesty?
Usually i just want to make a scene
Well i dont like you but you know, know, know
what i mean...
