I'm chasing after a wild thing
With so much left to say
And she's chasing after a wild dream
A hundred miles away

A hundred miles away
A hundred miles away

When it comes to love
You don't have to pay to play
Yes when it comes to love
You can't choose
You'll pay when you lose
And we're all going to lose
One day

A hundred miles away
She's just a
A hundred miles away
But it might as well be
A century, a century
I said it might as well be
A century

Don't give your heart to a wild thing
I heard Holly say
But I'm afraid it's far too late for me
To be saved by Tiffany's

A hundred miles away
She's just a
A hundred miles away
But it might as well be
I said it might as well be
It might as well be
A century
