I'm the son of a man's man's
Son of a monster
I'm the son of some strong hands
That gave it all for me
I'm the son of Italian traditions
I'm the son of American dreams

But when will I see
What's missing inside of me
And when will I finally be
Complete

I'm the son of your blond hair
Son of warm blue eyes
I'm the son of a love
That simply refused to die
I'm the son of relentless patience
I'm the son of your selfless life

But when will I see
What's missing inside of me
And when will I finally be
Complete

I'm the son of the city
Where we
Declared our independence
Violently

I'm the son of the
Sacrifices made
For the free
By the Brave

I'm the son of the year
We lost the challenge
I'm the son of the year
Things went off balance
I'm the son of hope
The son of change
I've become the son of so many things

But when will I see
What's missing inside of me
And when will I finally be
Complete
