

Spleen, The "Broken Crown"

All is as you want it to be
The light far off you'll see
The light far off you'll see
No lack of novelty
for us two

Drown out what you deserve
It's your own loss you serve
You sealed the book with lies

Don't be worried
I won't
Give up
On you and me

I'm sure there's nothing to bless
I swear our dreams won't be repressed

Tell me in one hundred years
Will you remember your fears

Tears you haven't seen
over you

Try to change the clock, the signs
Stay behind the line

Behind the field of time

Don't be worried
I won't
Give up
On you and me

I'm sure there's nothing to bless
I swear our dreams won't be repressed

I Swear I won't Give up on you and me

I'm sure there's nothing to bless
I swear our dreams won't be repressed
