Back in those days, in starry eyes  
I'd look back to see the prize  
We bet to see how long it'd take to get over you.

You've heard all my alibis  
It's you I see I close my eyes  
Just a lonely man who tries to get over you.

'Cause it's you Where are you? Are you there?  
Why do I care? for eyes so clear  
Far from here, Far from there  
Why do I care for eyes so clear?

Take a breath, I turn away  
It's true that you just cannot stay  
A sigh, a tear, a step astray to get over you.

If you'd ask , I'd have to lie  
My heart might stop to beat awhile  
I'd just look at you and smile to get over you.

'Cause it's you Where are you? Are you there?  
Why do I care? for eyes so clear  
Far from here, Far from there  
Why do I care for eyes so clear?

Where Are you there? I got to breathe, I got to leave  
Where Are you there? I got to breathe, I got to leave  
you
