

Spleen, The

"No more"

Visit "[No more](#)" on MotoLyrics.com

I want peace of mind
It's so priceless to find
serenity way
The glory of our yesterdays

This old road encloses
Feelings we erode
Today we have to stay
All you need is to see the way

Understand
Comprehend
We have the same identity

Understand
Comprehend
We are a sole entity

Leave me
You're the baseness of my mind
Want you to go without a shout
The one who falls will recover his own shivers

I won't let you cross and engrave your chaos
Before the first of May
You'll have been driven away

Even with eyes closed
I'll never be your host
No more touch of grey
I forgot all the games you played

Understand
Comprehend
We have the same identity

Understand
Comprehend
We are a sole entity

Leave Me

You're the baseness of my mind
Want you to go without a shout
The one who falls will recover his own shivers
