-Chorus-

Wolf in the woods. There's a wolf in the woods

-Verse 1-

The peasants in the hamlet know its name  
His visage perhaps changes but they know it stays the same  
Once you've seen his steely gaze and spied his iron teeth  
You'll fall to your knees and pray 'cause you can't run away

-Verse 2-

The wizard on the hill unlocks his gate  
His servants set it on your trail. Do not run the wolf cannot fail  
As you're passing through the woods remember to keep your eyes  
Locked upon the trail's end for then you may not findâ€¦!

-Chorus-

The wolf in the woods. Wolf in the woods

-Drum Solo, Guitar Solo-

-Chorus-

Wolf in the woods. There's a wolf in the woods

-Verse 3-

The trail's edge is lined with what you seek  
Her temptation draw you nearer but these all are traps to lure the weak  
Take you but a single sip or feast you with your eyes  
Wakens the wolf from within - his bite tears at your spine

-Chorus-

Wolf in the woods. The wolf in the woods

-Outro-

Wolf in the woods... Wolf in the woods!
