1-2-3

If you close the door, the night could last forever

Leave the sunshine out and say hello to never

All the people are dancing and they're havin such fun

I wish it could happen to me

but if you close the door, I'd never have to see the day
again.

If you close the door, the night could last forever,

Leave the wineglass out and drink a toast to never

Oh, someday I know someone will look into my eyes

and say hello -- you're my very special one--

but if you close the door, I'd never have to see the day
again.

Dark cloudy bars

Shiny Cadillac cars

and the people on subways and trains

Looking gray in the rain

As they stand disarrayed

Oh but people look well in the dark

And if you close the door, the night could last forever.

Leave the sunshine out and say hello to never

all the people are dancing and they're having such fun

I wish it could happen to me

'Cause if you close the door, I'd never have to see the
day again.

I'd never have to see the day again

(once more)

I'd never have to see the day again.
