Here's Room five four six
it's enough to make you sick
Bridget's all wrapped up in foil
you wonder if
she can uncoil
Here they come now
see them run now
Here they come now
Chelsea Girls
Here's Room One fifteen
filled with SM queens
Magic marker row
you wonder just
how high they go
Here they come now
see them run now
Here they come now
Chelsea Girls
Here's Pope dear Ondine
Rona's treated him so mean
She wants another scene

she wants to be

a human being

Here they come now

see them run now

Here they come now

Chelsea Girls

Pepper she's having fun

she thinks she's some men's son

Her perfect loves don't last

her future died

in someone's past

Here they come now

see them run now

Here they come now

Chelsea Girls

Dear Ingrid's found her lick

she's turned another trick

Her treats and times revolves

she's got problems

to be solved

Here they come now

see them run now

Here they come now

Chelsea Girls

Poor Mary, she's uptight

she can't turn out her light

She rolled Susan in a ball

and now she can't

see her at all

Here they come now

see them run now

Here they come now

Chelsea Girls

Drop out, she's in a fix

amphetamine has made her sick

White powder in the air

she's got no bones

and can't be scared

Here they come now

see them run now

Here they come now

Chelsea Girls

Here comes Johnny Bore

he collapsed on the floor

They shut him up with milk

and when he died

sold him for silk

Here they come now

see them run now

Here they come now

Chelsea Girls

Here they come now

see them run now

Here they come now

Chelsea Girls
