Here she comes, you better watch your step

She's going to break your heart in two, it's true

It's not hard to realize

Just look into her false colored eyes

She builds you up to just put you down, what a clown

'Cause everybody knows (She's a femme fatale)

The things she does to please (She's a femme fatale)

She's just a little tease (She's a femme fatale)

See the way she walks

Hear the way she talks

You're put down in her book

You're number 37, have a look

She's going to smile to make you frown, what a clown

Little boy, she's from the street

Before you start, you're already beat

She's gonna play you for a fool, yes it's true

'Cause everybody knows (She's a femme fatale)

The things she does to please (She's a femme fatale)

She's just a little tease (She's a femme fatale)

See the way she walks

Hear the way she talks
