She's over by the corner

Got her hands by her sides

They hit her harder harder harder

Till they thought she might die

Well I got a foggy notion

Do it again

Over by the corner

Do it again

I got my calomine lotion, baby

Do it again

I got a foggy notion

Do it again

She made me do something that I never did before

I rushed right down to a flower store

I bought her a bundle a beautiful batch

Dont't you know something, she sent 'em right back
