Here she comes now, now

Gone, gone, gone

Ready, ready, ready, ready, ready

Got my eyes wide open

Ever since I was on cripples Monday

Got my eyeballs on my knees, Aww my baby walkin'

After hours with Mad Mary Williams

Said she never understood a word from me, because...

I know that she cares about me

I heard her call my name

And I know that she's long dead and gone

Still she ain't the same

When I wake up in the morning mama

I heard her call my name

I know that she's gone, gone, gone

I heard her call my name

And then my mind split open
