If you think that it's all right  
you know what you'll have to do  
You're walkin' down 5th Avenue  
you're seein' things that aren't true  
Without you I ain't gonna be waitin'  
you're not a hesitating, here it comes

I'm not too sorry  
now that you're gone  
I don't think I'll miss you  
I found a new one

If you know that it's not right  
that I'll see you some other night  
But if you want it when you're gone  
you'll find yourself another one  
So now, ok  
worry, it's around, oh, oh

I'm not too sorry  
now that you're gone  
I don't think I'm sorry  
'cause I found a new one  
It wouldn't break my heart  
it wouldn't make it hard to go around
