Can I have your autograph?

he said to the fat blond actress

You know, I've seen every movie you've been in

from Pass of Pain to Duels of Glory

And when you kissed Robert Mitchum

Gee, but I thought you'd never catch him

You're over the hill right now, and you're looking for
love

You're over the hill right now, and you're looking for
love

I'll come running to you, honey, when you want me

I'll come running to you, honey, when you want me

Can I have your autograph?

he said to the fat blond actress

You know, I know everything you've done

Anyway, I hate divorces

To the left is a marble shower

It was fun even for an hour, but

You're over the hill right now, and you're looking for
love

You're over the hill right now, and you're looking for
love

I'll come running to you, honey, when you want me

I'll come running to you, honey, when you want me

Something's got a hold on me and I don't know what

Something's got a hold on me and I don't know what

It's the beginning of a new age
