One of these days

And it's peculiar

You're gonna look for me

And, baby, I'll be gone

One of these days

And it won't be long

You're gonna call my name

And I'll be far gone

I'm gonna tell you something

That I ain't told no one before

That is, if I could stop dancing

And get my poor self off this barroom floor

One of these days

Ain't it peculiar

Babe, you're gonna call my name

You know that I'll be gone (bye bye baby)

I'm gonna tell you something < BR>That I ain't told no  
one before

That is, if I could stop dancing

And get my poor self off this barroom floor

One of these days

And it won't be long

You're gonna call my name

And I'll be gone

You're gonna call my name

And I'll be gone

You're gonna call my name

And I'll be gone
