Here I go again

just gonna play it like a fool again

Here I go again

over you

Over you

I'm just like a bell again

you know, I'm starting to ring again

Here I go again

over you

Over you

Typically, when I had it

treated it like dirt

Now, naturally, when I don't have it

I am chasing less and less rainbows

Here we go again

I guess, I'm like a fool again

Here I go again

over you

Over you

over you

Over you
