Sometimes I feel so happy

Sometimes I feel so sad

Sometimes I feel so happy

But mostly you just make me mad

Baby you just make me mad

Linger on, your pale blue eyes

Linger on, your pale blue eyes

Thought of you as my mountain top

Thought of you as my peak

Thought of you as everything

I've had but couldn't keep

I've had but couldn't keep

If I could make the world as pure and strange as what I
see

I'd put you in the mirror I put in front of me

I put in front of me

Skip a life completely, stuff it in a cup

She said money is like us in time

It lies but can't stand up

Down for you is up

It was good what we did yesterday

And I'd do it once again

The fact that you are married

Only proves you're my best friend

But it's truly, truly a sin

Linger on, your pale blue eyes

Linger on, your pale blue eyes
