Stephanie says that she wants to know
Why she's given half her life, to people she hates now
Stephanie says when answering the phone
What country shall I say is calling from across the world
But she's not afraid to die, the people all call her
Alaska
Between worlds so the people ask her 'cause it's all in
her mind
It's all in her mind
Stephanie says that she wants to know
Why it is thought she's the door She can't be the room
Stephanie says but doesn't hang up the phone
What sea shell sea is calling from across the world
But she's not afraid to die, the people all call her
Alaska
Between worlds so the people ask her 'cause it's all in
her mind
It's all in her mind
She asks you is it good or bad
It's such an icy feeling it's so cold in Alaska,
it's so cold in Alaska, it's so cold in Alaska
