Sunday morning, praise the dawning

It's just a restless feeling by my side

Early dawning, Sunday morning

It's just the wasted years so close behind

Watch out, the world's behind you

There's always someone around you who will call

It's nothing at all

Sunday morning and I'm falling

I've got a feeling I don't want to know

Early dawning, Sunday morning

It's all the streets you crossed, not so long ago

Watch out, the world's behind you

There's always someone around you who will call

It's nothing at all

Watch out, the world's behind you

There's always someone around you who will call

It's nothing at all

Sunday morning

Sunday morning

Sunday morning
