There she goes again

She's out on the streets again

She's down on her knees, my friend

But you know she'll never ask you please again

Now take a look, there's no tears in her eyes

She won't take it from just any guy, what can you do

You see her walkin' on down the street

Look at all your friends she's gonna meet

You better hit her

There she goes again

She's knocked out on her feet again

She's down on her knees, my friend

But you know she'll never ask you please again

Now take a look, there's no tears in her eyes

Like a bird, you know she would fly, what can you do

You see her walkin' on down the street

Look at all your friends that she's gonna meet

You better hit her

Now take a look, there's no tears in her eyes

Like a bird, you know she will fly, fly, fly away

See her walking on down the street

Look at all your friends that she's gonna meet

She's gonna bawl and shout

She's gonna work it

She's gonna work it out, bye bye

Bye bye baby

All right
