You know
It's been on my mind for quite some time
I'm glad I finally got your undivided attention
This is what I gotta say

Tell me what you wanna do
When I'm lookin in your eyes
Now that you told me girl
You know I'm not surprised
I'll tell you what I wanna do
When I'm lookin in your eyes
If you cannot handle it
Then you'll get left behind

Girl just
Show me
Show me
Show me yeah
Show me yeah
Girl just
Show me
Show me
Show me yeah
Show me yeah

I got this girl
That runs through my mind all day
She's so foxy
So beautiful to me
I'm only 14
Really shouldn't be feelin this way
But the way her hair sways
Sends my mind in a daze
I'm like
Baby girl, if you would notice me
I can almost guarantee that you
Will be with me
It's not far fetched
Just think
Canneries in the rain
Kisses on the cheek

Bahamas in the spring
Real deep with this crush thing
Come on
Why would you wanna be alone
When you and I could make a team?
Like Shaq and Kobe
Their own dynasty
And personally
I could see more
To the three p
Every now and then
I see you walkin down the street
While I'm shootin hoops
And just think
About the future
And how cool it could be
With me on your left side
And you the right of me
Whooooo

Girl just
Show me
Show me
(Show me)
Show me yeah
(uh huh)
Show me yeah
(Girl just show me)
Girl just
Show me
(uh huh)
Show me
(yeah)
Show me yeah
Show me yeah
(Girl just show me)

Potentially
I win a team
I'm serious
You feelin this?
Cause if you are
Then you should agree with this
And all I need you to do
Is reply with a yes
A smile
Or that twinkle in your eye
This ain't no lie
Just ask
The other cats in class
How are daily

Ask about yourself
So mesmerized
In my mind
I visualize about you
I just can't help myself
I want to take you to the mall
Free of charge
Girl,
Help yourself
To the movies
Me, you
Sneak previews
There ain't too many things
I wouldn't do for you
(that's right)
Let me know
Was it black or blue?
Was it left or right?
Was it you and I?
Or are you
Putting up a fight?
I'm like fabulous
So into you
And if you're feelin the same
Then you just need to
Whoooo

Girl just
Show me
Show me
Show me yeah
Show me yeah
Girl just
Show me
Show me
Show me yeah
Show me yeah
Show me what you wanna do
Girl just
Turn around
And show me
And show me
I'll tell you what I'm gonna do
Girl just turn around
And I'll show you
I'll show you
Show me
Show me
Girl just show me
Show me
Show me what you wanna do

Show me
Show me, show me
Show me
Girl just show me
Show me
Show me
Oooooooh
Show me
Show me
Show me
Show me, show me
Show me
Show me what you wanna do
Show me
Girl just
Turn around
And show me
Show me
Show me, show me
Show me
Show me what you
Show me what you wanna do
Show me what you wanna do
Show me what you
Show me what you wanna do
