Don't you know that I'll be around to guide you?  
Through your weakest moments to leave them behind  
you  
Returning nightmares only shadows

We'll cast some light and you'll be alright  
We'll cast some light and you'll be alright for now

Crosses all over, heavy on your shoulders  
The sirens inside you waiting to step forward  
Disturbing silence darkens you sight

We'll cast some light and you'll be alright  
We'll cast some light and you'll be alright for now

Crosses all over the boulevard  
Crosses all over the boulevard  
Crosses all over the boulevard

The streets outside your window over flooded  
People staring, they know you've been broken  
Repeatedly reminded by the looks on their faces

Ignore them tonight and you'll be alright  
We'll cast some light and you'll be alright

We'll cast some light and you'll be alright  
We'll cast some light and you'll be alright

Cast some light, alright

Light  
Be alright

Cast some light, alright

Be alright  
Be alright
