Wait in line
'Till your time
Ticking clock
Everyone stop

Everyone's saying different things to me
Different things to me
Everyone's saying different things to me
Different things to me

Do you believe
In what you see?
There doesn't seem to be anybody else who agrees
with me

Do you believe
In what you see?
Motionless wheel
Nothing is real

Wasting my time
In the waiting line
Do you believe
In what you see?

Nine to five
Living lies
Everyday
Stealing time

Everyone's taking everything they can
Everything they can
Everyone's taking everything they can
Everything they can

Do you believe
In what you feel?
It doesn't seem to be anybody else who agrees with me

Do you believe
In what you see?
Motionless wheel

Nothing is real

Wasting my time
In the waiting line
Do you believe
In what you see?
And I'll shout and I'll scream
But I'd rather not be seen
And I'll hide away for another day

Do you believe
In what you see?
Motionless wheel
Nothing is real

Wasting my time
In the waiting line
Do you believe
In what you see?

Everyone's saying different things to me
Different things to me
Everyone's saying different things to me
Different things to me

Everyone's saying different things to me
Different things to me
Everyone's saying different things to me
Different things to me

Everyone's saying different things to me
Different things to me
Everyone's taking everything they can
Everything they can

And everyone's taking everything they can
Everything they can
Everyone's saying different things to me
Different things to me

Different things to me
Different things to me
Different things to me
Everyone's taking everything they can
Everything they can
