I let my head touch my hands
And it's right on me, yeah
I touched the night now it's gone
Felt it right on me, yeah

I'm running hard and the dust
Now it's right on me, yeah
I'm writing blind and these words
They're all over me, yeah

Oh, lost them in the forest
Oh, dawn is almost on us
Oh, spell is gettin' stronger
Oh

'Cause my mama said my daddy at the wishin' well
At the wishin' tree down the well is nothing but wet
And it's all in my head, hear what I heard
If I'm in a dream I don't care

Hot on you, I'm thinkin' of your style
I know that spell you been weaving
You, you give me what I want
That kind of thing you make me feelin'

So right, feels good
Still feel it on me
I feel it, it's on me

I work these hands and prepare
Now it's right on me

Oh, lost them in the forest
Oh, dawn is almost on us
Oh, spell is gettin' stronger
Oh

And I'm runnin' to the wishin' tree
I wonder what his wish could be
Is he dreamin' that I'm okay?
And it's all in my head, hear what I heard
If I'm in a dream I don't care

Hot on you, hot on you
That kind of thing you make me feelin'

So right, feels good
Still feel it on me
I feel it, it's on me
So right, I got to run

I'm so excited that I had to see the sun
I feel it, it's on me

Alright, feels good
Still feel it on me
Ohh, feel it, it's on me

So right, I got to run
I'm so excited that I had to see the sun
I feel it on me
