### "To The Bitter End"

I searched for mercy  
And some wondering light  
To cure my health  
And ease my sight

I met this fellow  
Seemed mighty wise to me  
He guided me  
Out of my misery

He spared me tones of grief,  
when he said:  
"Hold on to the bitter end"

Hold on  
Be bold to the bitter end  
He said  
"Be bold to the bitter end"  
Hold on  
He said

He said later later  
Come walk with me  
I'll take you through  
Your pity

Let's board the train  
Are you in for the ride?  
What comes before you  
Will change your life

He spared me tones of grief  
when he said:  
"Hold on,  
there is rest  
without death"  
Hold on  
He said  
"I'll die again"

Hold on

He said  
Hold on

To the bitter  
To the bitter  
To the bitter  
To the bitter  
Hold on  
Hold on  
Hold on  
To the bitter  
End
