That girl
Yeah
Its NXT
ZenRaytion
That girl

Ek bar ki hai baat
Ladi meri aankh ek ladki ke saath
Ladki ko dekh mujhe kya hua
Har pal karta rab se yahi dua
Mil jay ek moka ho jaye tujhse baat
Haan kar de aur chal de mere saath,
aur chal de mere saath
Tu hai beauty ki raani
Hai thodi si saani
Teri aankhen nashili teri chadti jawaani
Tere gore badan pe mera dil atka
Dhak dhak dhak mera dil dhadka, mera dil dhadka
Tujhe London le jaau, tujhe Paris ghumaau
Tere sang apni zindagi bitaau

That girl, use roz main dekhta
Yes girl, tujhe roz main sochta
That girl, mere sapno ki raani
That girl oooooooooo! (A—2)

Lakh, lakh vade maine tujhse kiye
Kafi sare gift maine tujhko diye
Aakhir kar tune mujhe haan kar di
Socha maine meri to nikal padi
Phir hua jo us din woh na kabhi socha tha
Tha woh dhokha jo mere saath hua tha
Dekha tujhko mere dost ke sang
Dikhla rahi thi tu usko apne rang
Lag rahi thi tu badi aawari
Kar rahi thi sang tu uske sawaari
Lekar us saale ki Ferrari
Socha tha tu hogi meri deewani
Par nikli tu lakho ke dil ki raani

That girl, mera dil hai toda

Bad girl, mujhe tanha choda
That girl, ab tere bin jeena
That girl oooooooooâ€¦â€¦â€¦. (Ã—2)

Ayi thi mere zindagi mein tu karke Hi
Nikala maine tujhko karke Bye
Tujh par maine paise lutaye
Apne sare dost bhulaye
Ab jake mujhe samajh mein aaya
Sab tha teri kaya ka maya
Tujhe kya laga main hun aisa vaisa
Pyar sach a kya tune de mujhe sajja
Hui mere dil se aisi kya khata
Jo diya mere dil ko aisa tune dhoka
Mera dil tha itna saaf
Tere naam ka karta jaap
Par nafrat hui ab tere is naam se
Itna ki tera naam na likha
Gaana banaya "That Girl" ke naam se

That girl, mera dil hai toda
Bad girl, mujhe tanha choda
That girl, ab tere bin jeena
That girl oooooooooo!.. (Ā—2)

Dost kahein use chod dusri pakad le
Dil mein basi hai tu unhe yahi batau
Par is baat ka ehसास tujhe kaise delau
Ab tujhe bhool na bhi chahu
Teri yaadein na bhool pau
Pyar mere yaar kyun kiya maine pyar
Pyar ne banaya mujhe apna sikaar
Pyar mein hua mera jeena haraam
Tune mere saath kya kia kyun kia ye

NXTâ€™..

That girl, mera dil hai toda
Bad girl, mujhe tanha choda
That girl, ab tere bin jeena
That girl oooooo!.. (A~2)
