Imagine with me if you can
Iâ€™m talking Â‘bout the rising my man
Iâ€™m gonna take us through another door
thatÂ’s if you got what iÂ’d Â‘mentioned before

Refrain:

Close your eyes and try, try to see
a place that ought to be a place for you and me
a place where anyone can be

WeÂ’re all borne and will die
what are you going to tale to the sky
What will we bring that may spark their desire
Iâ€™m taking a gift that maybe hard to Acquire

Refrain

First of all you have to play straight
but curious enough to find his backgate
If you think you have what it takes
Would you put your money on the Stake

Refrain

Iâ€™m telling you youÂ’re not alone
Iâ€™m just trying to give ya some backbone
some strenght some inner desire
Please please tell me that thereÂ’s something inside
ya

Refrain (2x)
