[Chorus]

[Parlae]

Now hold on hoe, who gon' be the next to go?  
Who gon' be the next to blow? Give a nigga extra throat  
I'm the next to blow, my jewelry got a extra glow  
Look at my chain bitch, my diamonds made by eskimos  
I got extra dough, I got a cold wrist  
Look at my pinky ring, my ears look like froze piss  
How much yo' chain? How my much my chain? That's a
