VERSE 1

Meet me in the night
Make me feel alright
Show me I'm alive
Cause I can't breathe

Lay down with the lost
I'll pay any cost
Put my life on pause
So I don't see

CHORUS

I'm alone
I'm alone

VERSE 2

Send me angel wings
Lift me to my king
I'll do anything
To have you near

Fill these empty veins
Take away this pain
I'm going insane
Without you here

CHORUS

I'm alone
I'm alone

BRIDGE

How can I know you're there
I can't hear your voice anywhere
How can I make it through
You're not telling me what to do

VERSE 3

I've put up a fight
I'm barely alive
But I'm stronger tonight
I'm feelin' free

I don't need old lies
Youths still in my eyes
Forgot about the prize
Cause I found me

CHORUS

I'm alone
I'm alone
