### VERSE 1

Here's my secret no one knows  
There's too much I enjoy  
I need you to punish me  
I've been a naughty boy

Lock me up and tie me down  
I'm waiting on my knees  
I'll say what you wanna hear  
Release my fantasies

### PRE-CHORUS

I'm gonna tell you every lie  
Baby its just you and me  
I wanna please you here tonight  
So gimme what I need

### CHORUS

In the dark room, dark room, da da da dark room yeah  
Gimme what I need in the dark room, dark room, da da  
da dark room yeah

### VERSE 2

Pleasure fills the space between  
Confess what I've prepared  
I've been bad it drives you mad  
I'm like a dirty prayer

Sweat drips from your cruising eyes  
You tell me to behave  
Organs beating, I'm pleading  
I'm crying toi be saved

### PRE-CHORUS

I'm gonna tell you every lie  
Baby its just you and me  
I wanna please you here tonight  
So gimme what I need

### CHORUS

In the dark room, dark room, da da da dark room yeah

Gimme what I need in the dark room, dark room, da da  
da dark room yeah
