I lit the candle
for the evenings dinner table.
Theres a dozen roses
placed before you.

The orchestra is playing a piece
so darling shall we dance?
Serenade to the best
This memory can last.

At the end we find ourselves
at your doorstep. (doorstep)
This is where we give a smile
and a kiss goodnight.
The modern day lovesong
takes everything between.

The first glance at your eyes
and its the first kiss of the scene.
It reaches a point
where theres no room
for audrey and kelly.

What Happened to all the romance?

What happened to all the romance?

We lost it on the movie screen.
No more beauty and glamor it seems.
It goes with the scene on tv.
No more beauty and glamor to me.

The modern day love song
takes everything between.
The first glance of your eyes
and its the first kiss of the scene.
It reaches a point where theres
no room for Audrey and Kelly.

What happened to all the romance?

What happened to all the romance?

We all, Go back
to where we can find
where the romance ends
on a solid note
repeat the line
with that special
shes got lips and dignity
and every moment found
was sweet to believe

Sweet heart
(what happened to all the romance?)
(x 5)
