Don't fight, don't fight, don't fight
Don't do it again
Don't scream, don't scream, don't scream
Don't want to hear it again
Don't say, don't say, don't say,
Don't say you're leaving this time

Don't you, don't you,
don't you know you're all I have in this life
So drop the sword and hear me out
Down on the floor, just hold me

Don't take, don't take, don't take
Don't take it so lightly
When you say, you say, you say
When you say you love me

I miss, I miss, I miss
I miss the way we would laugh
I wish, I wish, I wish
I wish that we could go back

I think, I think
I think that we could fix it all up
Don't you, don't you
Don't you think it'd be worth it for love?
If I thought you'd do me no harm
I'd fall, I'd fall into your arms

Don't take, don't take, don't take
Don't take it so lightly
When you say, you say, you say
When you say you love me
