I know what I'd do
But I don't think I should
I have love for you
Just so it's understood
I could make you mine
Make you hold me close
Make you lose your mind
But I won't

Unless you want me to
Unless you want me to
Do you want me to?
Cause I want to

It comes so naturally
To make things go my way
To bring you to your knees
I know how to kiss you
So you never let me go
I could go there with you
But I won't

Unless you want me to
Unless you want me to
Do you want me to?
Cause I want to

I couldn't take it back
If you say you don't love me
Like I love you
So I won't

Unless you want me to
Unless you want me to
Do you want me to?
Cause I want to
