Bum men  
Bag ladies  
Drifter sellin bitches on the street...  
Dirty alleys dirty minds!

Better run little boy  
Better hide little girl  
this a big city  
Nothings safe at last  
Livin on caffine livin on booze  
Dirty alleys dirty minds!

Better run little boy  
Better hide little girl  
This a big city  
Nothings safe at last  
Whats the matter with you man?  
Why aint you got a sun tan?  
Livin on caffine livin on booze  
Dirty alleys dirty minds!

Livin on caffine livin on booze  
Dirty alleys dirty minds  
Better run little boy  
Better hide little girl  
This a big city  
Nothings safe at last  
Whats the matter with you man?  
Why aint you got a sun tan?  
Go back to sunny California  
Yea well someone should have warned ya
