What would you think if I sang out of tune, Would you stand up and walk out on me? Lend me your ears and I'll sing you a song And I'll try not to sing out of key.

Oh, I get by with a little help from my friends Mm, I get high with a little help from my friends Mm, gonna try with a little help from my friends

What do I do when my love is away (Does it worry you to be alone?)
How do I feel by the end of the day,
(Are you sad because you're on your own?)

No, I get by with a little help from my friends Mm, I get high with a little help from my friends Mm, gonna try with a little help from my friends

Do you need anybody I need somebody to love Could it be anybody I want somebody to love.

Would you believe in a love at first sight Yes, I'm certain that it happens all the time What do you see when you turn out the light I can't tell you but I know it's mine,

Oh, I get by with a little help from my friends Mm, I get high with a little help from my friends Mm, gonna try with a little help from my friends

Do you need anybody
I just need someone to love
Could it be anybody
I want somebody to love.

Oh, I get by with a little help from my friends with a little help from my friends
