Visit "[Tired](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Will we all grow old age?

Will we all wither away?

So alone

Alone, alone

So, so alone

SO ALONE!

All alone

Alone, alone

Will sirens...

So alone, alone

Does it hurt you like it hurts me?

(Alone, alone)

Will we ever go..

Will we ever wither

Wither away

So alone

Alone, alone

So, so alone

SO ALONE!

All alone, alone, alone, alone

Yes, it hurts

It hurts, it hurts, it hurts

You want to go away

Away, away, away

From this place

Will we ever go...

Will we ever, ever wither

Wither away

So alone

Alone, alone

So, so alone

SO ALONE!

All alone, alone, alone, alone

Grow old aged

Grow old aged
